Donner Seeking Annexation To Utility District

Entire Cost of Project Must Be Borne By Lake Dwellers

The board of directors of the Truckee Public Utility District, at their regular meeting a week ago, had presented to them a petition signed by residents of the Donner Lake area asking for annexation to the local utility district.

Proposals and discussions between officials of the Donner Lake Development Co. and the district have been underway for several weeks.

The company officials are desirous of having the district undertake the construction and operation of a water system in that area to serve the existing and proposed subdivisions around the lake. Several hundred lots have already been sold and a number of new homes are expected to be built this year. It was explained that the promotion and development of that area is severely handicapped because of the present lack of an adequate water system.

In the matter of financing such a project it was explained to the interested parties that a bond issue would have to be voted by the residents around the lake of a sufficient amount to build a system to adequately serve the present and future needs of the area, C. Edmunds, district manager, stated.

Such bonds would be an obligation on the Donner Lake area only and would not effect the property owners within the present boundaries of the district, Edmunds said.

The board members, after discussing the matter thoroughly, decided to put the matter up to the voters in that area but were unanimous in the position that none of the present funds of the district would be expended on the project and that all the expenses of work undertaken in that area must be borne by the property owners around the lake, Edmunds explained.

In commenting upon the proposal, E. L. Loynd, a member of the board, said that before the district will take any action whatever, an engineer's report must be obtained and submitted and this must be financed by the effected property owners. The cost of installing facilities, maintenance and service will be assessed against the property in the proposed annex, Loynd said, and will not be an expense against the present district.

Placer Board Requests Larger Patrol on Hill

AUBURN— Placer County's supervisors this week passed a resolution requesting additional state highway patrolmen for U S. Highway 40 between Roseville and the Nevada state line.

Supervisor J. B. Paolini of Roseville brought the matter before the board and said that in view of the heavy flow of traffic over Donner Summit during the winter months a heavier patrol is needed.

Birthday of Member Marked by Eightsome

At the weekly meeting of the Bridge Eightsome held at the home of Mrs. C. B. White on February 9, Mrs. Harold Langille was presented with an attractively decorated cake in honof her birthdate which occured Sunday, February 13.

Holiday Motif Features Party for Donner Lass

The St. Valentine motif was used by Mrs. Roy J. Stallard when she gave a party in her Donner Lake home in honor of the 9th birthday of her daughter, Joan Kathleen, on Tuesday afternoon, February 15. Twelve school friends enjoyed games and were given fetching old-fashioned bonnet favors which harmonized with the Valentine table decorations.

Those present included Irene Englehart, Barbara Brown, Terry Ott, Linda Loynd, Jacqueline Wilson, Marilyn Brown, Helen, Harlene and Shirley Fowler, Geraldine Whitford and Jessie Rablin.

Double Feature Film Shown at Lions Club

Two reels of motion pictures —"Fishing" and "America the Beautiful"—were shown at the meeting of the Lions Club last night. Stanley Martin was the program chairman and presided. Don Hesse of Truckee was a guest.

Unified School Board To Meet Here March 1

Name Suggestions Are Sought by Trustees Of District

Trustees of the recently authorized unified school district held an informal meeting on Tuesday night at the fire station with Albert Bequette, superintendent of Placer County schools.

Bequette called the meeting for the purpose of outlining the duties and requirements of the new board when they hold their first regular meeting at the Truckee grammar school Tuesday, March 1, at 8 p. m. At that time a chairman and temporary secretary will be named, the secretary later to be replaced by the superintendent of the district to be employed by the board.

The subsequent meetings will be held in rotation at the five elementary schools in the district —Tahoe City, Kings Beach, Donner Summit and Floriston.

At the organization meeting on March 1st, the trustees' terms will be decided by lot, one to be retired each year for the first three years and two to complete their terms the fourth year. At the same time the board will consider applications for the position of superintendent and make other plans.

In the meantime the board wishes suggestions for naming the district, which will be done at the March meeting. Everyone is invited to suggest a name by mailing a letter or card to the Sierra Sun at Truckee. The newspaper will turn the names over to the board for final action. The newspaper is used as a clearing agency due to the lack of an address for the board. It was pointed out that the name must conclude with "Unified School District." As an example, "Truckee-Tahoe Unified School District", "Donner Unified School District" or a similar title.

Members of the board are W. A. Loynd and Eugene Ilardi of Truckee; William Rutherford of Soda Springs; Stanley Martin, Tahoe City and Thomas Lucas, Kings Beach.

Bruce Hagstrom Ten On St. Valentine's Day

St. Valentine's Day, Monday, February 14 was Bruce Hagstrom's 10th birthday and the event was celebrated at the home of his parents, Mr. and Mrs. H. A. Hagstrom.

Red hearts of varied sizes were used to decorate the table cloth and refreshments were served in the same appropriate form. Games were played by the following boys and girls: Linda Loynd, Marilyn Brown, Barbara Brown, Irene Englehart, Loretta Farrar, Jessie Rablin, Ray Brown, Eddie Bottel, Williiam White, Aaron Thomas, Joel Towler, Kenneth Osburn, Allen and Bruce Hagstrom.

MRS. BROWN WILL HEAD P.T.A.; DATE OF MEET CHANGES

The installation of Mrs. M. E. Brown as president and other officers of the Parents and Teachers Association will be held on Monday evening, March 14 in the grammar school building. Mrs. Harry Eaton, retiring president, will preside.

At the meeting held February 4 Mrs. Ed Culbertson was also elected vice president, Mrs. Eugene Risden as secretary and Mrs. William Bottel, treasurer.

It was also decided to change the meeting date of the organization from Friday to the second Monday of each month because of conflict with the basketball activity of the school boys.

Due to extreme storm conditions, the Founders Day program held at that time was not well attended but all who were there enjoyed the annual ceremony. Under the chairmanship of Mrs. Guy White, Mesdames Harry Eaton, Elden Tonini and Frank Giovannoni and Fred Morris Jr. took part and refreshments were served at the meeting's close.

Water Survey Shows Normal Condition Here

All Reservoirs Expected To Fill If Season Stays Normal

In accordance with the Truckee River Agreement, the Truckee-Carson Irrigation District, the Washoe County Conservation District and the Sierra Pacific Power Company made snow surveys in the Lake Tahoe and Truckee River watersheds the first of February.

The increase in the water content of the snow since January 1 varies from one to five inches or from two to fifteen percent of April 1 normal.

Donner Lake Basin now has sufficient water content in the snow to fill this reservoir to capacity.

No surveys were made in the Independence Lake Basin but considering the present storage in this reservoir and the water content in adjacent basins, there is ample assurance that this reservoir will fill to capacity.

During the month of January, the Sage Hen Creek course on the Little Truckee watershed increased only 1.1 inches or 5.3 per cent of the April 1 normal, making a total of 45.7 per cent of April 1 normal or February 1. Considering the heavy storms during the first week of February, it can now be assumed that Boca Reservoir will fill to capacity if precipitation during the balance of February and March is not less than 50 per cent of normal for that period.

In general, the water content of the snow on February 1 appears to be about 50 per cent of the April 1 normal which is approximately normal for February 1. Should precipitation be normal for the balance of the spring then it may be anticipated that the natural run-off of the Truckee River and the rise of Lake Tahoe subsequent to April 1 will be normal.

From the above and assuming normal precipitation for the balance of the spring it now appears that the maximum elevation of Lake Tahoe will be about 6226.5.

TAHOE TEACHER'S TENURE SECURE SAYS BEQUETTE

Albert Bequette, Placer County superintendent of schools, here Tuesday said he would secure an official opinion on the status of principals presently employed in the local high and elementary schools of the new unified district.

An opinion has already been made in the case of Mrs. Bliss Hinkle of Tahoe. Under the state tenure law she is automatically reemployed for a two-year period. Mrs. Hinkle is principal of a branch of a school in which the enrollment is more than 500. Whether this law provides for reemployment of others is yet to be determined.

Ray Dixon Winner of "Dimes" Ski Contest

SODA SPRINGS— Raymond Dixon, 12 year old Truckee boy, won the silver buckle awarded to the winner of the first annual March of Dimes ski race for children last Sunday. Miss Marles Rau of Tunnel Six won a silver charm bracelet and Delia Tschopp topped the "baby" class. The 8-to-12 year olders raced like veterans in sub-freezing weather.

For more details of the meet, turn to Summit Scene on another Sierra Sun page this week.

Karl Kielhofer has returned home after undergoing an operation at Reno.

Sale Of Trees In Tahoe Forest Brings Big Sum

Portion of Revenue Goes Back to Counties to Replace Taxes

According to Assistant Supervisor R. E. Dasmann, the Tahoe National Forest has cut timber, Christmas trees and other timber products during the calendar year 1948 amounting to a total gross value of $215,000.

Dasmann explained that the Tahoe Forest cut 27.3 million board feet of timber for lumber, fence posts, shingles and other products with a $182,070 value. The timber was cut by 58 different operators. All sales made for timber worth $500 or more were advertised and sold on a competitive bidding basis. The forest official further explained that the timber and timber products were all cut and sold on a sustained yield basis. a system which assures the communities within the Tahoe area of a continuing and permanent source of income from the public timber lands.

Christmas trees and greens sold on public lands yielded a revenue of $32,457. Christmas trees were cut by 23 different operators, mostly from the inaccessible areas of the high fir timber belt.

In addition, under special cooperative agreements, the Tahoe Forest sold 4,892 Christmas trees on private land, valued at $4,576. This work was done to assist landowners to get better management of their timber producing lands.

Free use permits were given local forest residents for 67 thousand board feet of timber. Most of the timber was used for firewood, shingles and similar products.

According to law, 25 per cent of all receipts from the Tahoe National Forest will be returned to the counties of Nevada, Yuba, Placer and Sierra. In addition, another 10 per cent is returned to the forest to be used for road and trail work to develop the area. These returns are based on the total forest receipts which include revenue from sales of timber and timber products, fees from grazing permits, summer home and resort permits and other uses.

Dasmann pointed out that it is important to realize that these funds are returned to the county in lieu of taxes. The general public does not know that public lands in the National Forest return funds to the counties in place of taxes that would have been collected were the land in private ownership. Dasmann added that considering that much of the public lands are "of little value except for watershed purposes, the 25 per cent fund gives the counties a very fine revenue."

Rotary Cancels Meet Scheduled on Monday

The Truckee Rotary Club which held a meeting at Donner Lake Lodge on Monday voted to cancel the meeting scheduled to be held next Monday, February 21, due to the four days holiday.

Ernest Tschopp presided. Gerald Waters of Tahoe was a visiting Rotarian and Terry Tollefson was the guest of his father C. A. Tollefson.

Sheriff's Ski Posse to Meet Here Tuesday

A meeting of the Sheriff's Ski Posse of Truckee will be held at the fire station Tuesday night. This was announced by Captain Roy Waters who urges every member to attend the important session.

Local Boys Win High Honors In Skiing Events

Truckee, Tahoe Jumpers Top Three Classes at White Hills

TAHOE— Once again Truckee and Tahoe boys brought home their share of honors from the Snowshoe Thompson Memorial Meet staged Saturday and Sunday by the White Hills Ski Club. A large crowd was on hand to witness the two-day events and the weather was beautiful.

Truckee Outing Club's Bill Campbell took top honors in A class jumping with Jim Baker of Lake Tahoe Ski Club third and Walter Mandeville of Tahoe 8th.

In B class jumping Tahoe's Oliver Henrikson placed 7th, Dick Carnell 8th and Don Prusso 10th.

C class jumping was taken by Terry Tollefson, LTSC, with Herb Copeland of Truckee second and Jim Morhain, LTSC, 3rd.

D class went to Louis Fellows with Jerry Quam second, both from LTSC; Danny Hagstrom of Truckee came fourth.

Max Straubhaar of Lake Tahoe Ski Club placed 4th in the veterans class jump while Henrikson and Tollefson placed 5th and 6th respectively in the combined.

TRUCKEE TRAVEL SLIPS TO 5TH SPOT DURING JANUARY

Automobile travel into California hit a low ebb during January, according to a report by the state department of agriculture.

During the month only 8,311 automobiles were checked at the Truckee quarantine station. This, of course, does not include local cars. During December 10,601 cars were checked.

As a result of the decline, which was blamed principally on reports of poor traveling conditions over Donner Summit, Truckee fell to fifth place as a point of entry, with Ft. Fuma, Blythe, Yermo and Hornbrook, in that order, showing more cars.

Truckee, however, topped all other stations, Stateline on Highway 50 reporting 893 cars for the month. Stateline also reported 57 trucks as compared with Truckee's 1617.

The report shows the vehicles entering the state via Truckee had 32,333 passengers compared with 2,316 at Stateline and 350,310 in the entire state.

TRUCKEE PUPILS DONATE $28.72 TO MARCH OF DIMES

Voluntary contributions to the March of Dimes by pupils of the Truckee Grammar School added $28.72 to the fund here in the final days of the campaign, according to Mrs. Frank Giovannoni, clerk of the board of trustees. who handled the drive at the school.

The drive in this district which officially ended Tuesday is expected to net approximately $500, the present total being well over $350 and with the Donner Summit area yet to report.

The deposit cans in local stores brought in a total of around $130. One can was stolen, according to Constable N. F. Dolley and although a woman suspect was arrested, there was not sufficient evidence to justify a trial.

No Citations Given In Truck Mishaps

None was injured and no citations were issued in two highway accidents involving freight trucks and trailers near here this week.

On Sunday morning, two big rigs, driven by Arthur Van Dill of San Francisco and Ethmer Murdock of Corcoran, collided on the highway paralleling Donner Lake. Patrolman Roy Stallard investigated.

On Tuesday morning a car driven by Pierce A. Roan of Twin Falls, Idaho skidded into a PIE truck driven by Fred J. Bozaich of Berkeley which was stopped at the roadside. Patrolman George Schrom investigated and said the mishap was unavoidable due to slippery road conditions.

Greyhound Pays $40,000 After Fatal Accident

Freemonth Widow Nets $27,000 After Costs Are Paid

Settlement of $40,000 was made by Pacific Greyhound Lines Inc. to the widow of Chesley Oliver Freemonth, who was killed in a bus-auto collision on Donner Summit more than a year ago.

The out-of-court settlement was revealed in a report filed in Reno district court last Thursday by Oliver Francis Freemonth. administrator of the estate. Of the total amount, $37,000 was paid for Freemonth's death while his widow received $3,000 for injuries she sustained in the collision.

When Freemonth's estate was first filed, it was appraised at $1,500 which was the amount due from a compromise settlement of a previous accident on Donner Summit on August 21, 1947.

He was killed in the bus crash December 20 the same year just west of the summit. The resultant actions against the bus company were transferred to federal district court and had been scheduled for trial February 7.

From the $37,000 for her husband's death. Mrs. Freemonth will net $29,000 after attorney's fees and costs are deducted, the report states. The total cash to be distributed to her is $27,998.48 less commissions, which leaves $27,095.81.

MERCURY SOARS AFTER HITTING MINUS EIGHTEEN

Following a series of storms and protracted cold weather which have continued since the first of December, clear skies and warm weather this week brought relief to the High Sierra region.

Temperatures yesterday soared to the 50's and the melting snow caused highways and streets to run streams of water and maintenance crews were busy unclogging frozen drains.

Low temperature for the week was reported at 18 below zero by the forest service although some thermometers recorded as low as 27 below. There are approximately four feet of snow here and 12 feet on Donner Summit.

PETRONI RITES SLATED FRIDAY BY CATHOLICS

Rosary will be held at the Truckee Colonial Mortuary tonight at 8 o'clock for Pietro Petroni, 55, a native of Italy and brother of Pio Petroni of Truckee, who died suddenly at the latter's home here on Tuesday morning.

Services will be conducted at the Catholic Church by Father J. Boland Friday morning at 10:30 o'clock and interment will be in the Reno cemetery.

Petroni was a veteran of the first world war and was a resident of Reno. He was visiting here when he was stricken.

Ski Inn Auction Nets $51 for Dimes March

Ski Inn on Donner Summit was the scene recently of a unique auction when everything from broken goggles to a pair of red pajamas was sold as a benefit for the March of Dimes.

With Slim Maberry officiating as auctioneer and Miss Joy Sugarman of San Francisco in the capacity of cashier, $51.41 was raised for the worthy cause. The affair started a series of similar events in the area which swelled the fund materially.

The Ski Inn party started with entertainment provided by Maberry and wound up with refreshments being served by the genial owners. Many of the discarded articles sold were turned back time after time for resale. The "merchandise" had been left at the resort since last winter and while it had little commercial value the money was welcomed by the March of Dimes committee.

Program Ready For Dog Races Here Mar. 5 - 6

Residents Asked to List Accomodations For Derby Guests

With the appointment of committees and definite action for a big two-day program of events, the Sierra Dog Derby Association Monday night got into full swing for the races and program to be held here March 5 and 6.

Another meeting of all committees will be held tonight at the fire station to further plans now underway.

R. N. Little was appointed as chairman of the program committee and his committee members are James Leamon, Lloyd Van Sickle, Frank Titus, Gladys Dolley and Serena Nielsen. This committee met Tuesday afternoon and took initial steps for the celebration marking the revival of the famous Dog Derby Days in Truckee.

Program Chairman R. N. Little yesterday announced the following scheduled program for the two-day dog derby on March 5 and 6. The affair will start with a dance at 9 p.m. Friday, March 4.

Saturday— 1 p.m.: Kids' dog races; skijouring; web races; horse pulled ski racing; 11 mile championship dog races.

Saturday— 7 p.m.: Night skiing at Hill Top Lodge; 9p.m. two dances; at the Mushers' Ball the queen will be crowned.

Sunday— 11 a.m. Parade.

1 p.m. Snow events including 11 mile championship races.

Other committees named were: parade and floats: N. F. Dolley, chairman, and W. M. Englehart Jr. Dolley is also chairman of the ticket committee.

The queen contest, which will include entries from the Truckee, Tahoe, Donner and Reno areas, is headed by Mrs. Dolley with Mrs. Nielsen as co-chairman. Details of the queen contest will be announced by Mrs. Dolley at tonight's meeting.

H. H. Hodson heads the trophy committee and will arrange for the awards for the various events now being scheduled by the program committee.

Van Sickle is track and rules chairman and has prepared the rules and regulations which will govern the main events which will be the 11-mile championship races featuring North American thoroughbred racing dogs on each of the two days. Walter Barrett is in charge of advertising and publicity.

The Sierra Tavern, the Riverside Hotel, Truckee Resort and Hodson have volunteered to provide free quarters for the outside dogs and drivers which will come here for the races.

Plans to care for the crowds which are expected were also made at Monday night's meeting.

Anyone with extra sleeping rooms are asked to list their accomodations with either Hodson or Mrs. Nielsen. The listings must include the charges to be made and other details so that there can be no last minute confusion.

Van Sickle has laid out the track about a mile south of Truckee on the Brockway cutoff. The natural amphitheater will provide parking spaces, according to current plans, and the track will be in full view of the spectators at all times.

Back from Trip

Hodson returned this week after spending three days in the valley and coastal areas securing publicity and advertising and was given 15 minutes free time on a major radio station. He said he met with fine response and indications are that the affair will receive wide spread and favorable publicity.

Men From Region On Nat'l Ski Jump Board

Three men from this area have been chosen on the ski jumping committee of the National Ski Association of America, accordto word received from Roger Langley of Barre, Mass., chairman of the association.

The 13-man committee is headed by Allan Granstrom ot Seattle, Wash., and Frank Titus of Truckee, Carl Bechdolt of Tahoe and Roy Mikkelsen of Auburn are the three local area members.

It is the duty of the committee to fix policies for national jumping meets, arrange locations and generally have charge of national competitions.

Debt Moratorium Is Granted to Hassler

A moratorium on debts of the Hassler Lumber Company of Hobart Mills and Placerville was signed this week by Federal Judge Lemmon following filing of a debtor's petition by the firm.

The company, represented by Attorney Murle C. Shreck, listed liabilities amounting to $918,952.

Winter weather and consequent curtailed business activity in the lumber line was blamed for the debt. But Shreck, pointing to the $993,039.59 in assets still showing on the Hassler books, expressed the view that solvency is probable if foreclosures are prevented.

Shreck said the company is currently negotiating for a Reconstruction Finance Corporation loan.

Tahoe Letter

FROM SWANEE

Tahoe, Feb. 13, 1949

Dear Tahoeites:

What a rare Sunday this has been with bright sunshine since early morning. The lake is almost cobalt with only occasional white caps ruffling its brilliant blue. Snow hangs heavy on the pine branches and glistening icicles fringe the eaves of local homes. Yesterday was just as sunny and for the first time this winter I have noticed a sudden influx of birds—bluejays and chickadees—a flock of possibly a thousand of the altter moving through the forest north of our house several times during the last two days. Spring is in the air during the day but winter prevails when the sun goes down, with near zero temperatures.

Tahoe Inn was overrun with visitors over the weekend when 65 members of the Franciscan Club of Oakland arrived Saturday to enjoy a holiday in the snow. Two special buses transported the party which left on Sunday afternoon for home.

Had a cheery greeting from the Fred Mains last week from Biloxi, Miss. They wrote they were enroute to Florida and were both fine. They failed to find any sunshine since leaving Lake Tahoe until they reached New Orleans.

Also had a letter from Harold Ambrosch, moving picture man from Glendale, who writes he is planning to come to Truckee for the Dog Derby on March 5 and 6 to take movies of the event.

Among those enjoying vacations during the unusual winter weather are Mr. and Mrs. Jake Stuart of Lake Forest and children and Mr. and Mrs. Milton Shontz and daughter Jayne. The Stuarts headed for the bay region and the Shontzes for the home of her parents, the D. M. Brodehls, at Lodi.

Son Jimmie has just come back from the Snowshoe Thompson Memorial Meet held today at White Hills. He brought with him a beautiful trophy awarded him for third place in A jumping competing for the Lake Tahoe Ski Club. Others who placed today included Terry Tollefson, who was in near-perfect form and who made two of the longest jumps of the day, 107 and 111 feet, to take first in C jumping with Truckee's Herb Copeland second and Jim Morhain third. Louis Fellows of the Lake Tahoe Ski Club again copped first place in D jumping and his team mate Jerry Quam was second.

Speaking of the Lake Tahoe Ski Club brings to mind a letter received last week from Dave Chambers of Hotel Samarkand at Santa Barbara. Dave wrote of the recent directors meeting of the Tahoe-Sierra Association held January 25 and 26 at his hotel. Considerable discussion took place regarding the amount of money to be sent the ski club this year, Chambers advocating $150 and others believing $100 sufficient. To settle the question Chambers raised his subscription $50 and the larger amount was sent. He believes the club is one of the finest media of advertising the lake has, no small amount of publicity for this region being realized by the participation of our skiers in tournaments at Sun Valley, Salt Lake and other scattered points.

Which reminds us of the Lake Tahoe Ski Club's intention to send to Salt Lake for the Intermountai and National meet there February 19-21 Terry Tollefson, Jimmie Morhain and Max Straubhaar. A considerable sum of money made on the Chris-Craft last summer is being expended in sending Tahoe skiers to out-of-state meets. Not only have members of the Lake Tahoe Ski Club won consistently in meets through the years but they are continuing to do so especially in the jumping divisions which is a specialty of the local boys. Future plans call for perfection of Olympic Hill facilities which will make it one of the finest in the entire west.

A complete surprise was the birthday party given Saturday night for Mrs. Verne Daniels of Lake Forest. A group of friends sponsored the dinner and social evening at the home of the honoree's sister Mrs. A. M. Henry and family of Tahoe City. Among those sharing the festive occasion were Messrs. and Mesdames C. W. Vernon, Cecil Dempsey, Ray Frazier, Minor Sosey, Don Snyder, A. A. Snyder, Jess Brown, Al Henry Jr. and Miss Florence Vernon, Bob Snyder, Verne Daniels, Gary and Karen Henry all of Tahoe and Mrs. Fred Planett and son Fred of Verdi. Mrs. Stella Watson, who was invited but could not attend, sent a beautiful birthday cake for the occasion.

Will ring down the curtain for the week as a brilliant moon illuminates the snowclad forest. My best to you all, as ever,

Swanee.

Activity is at its height in the community with final preparations for the big Snow Carnival this weekend well in hand, plans for the Mothers' Club banquet the night of the 24th underway and the big spaghetti feed jointly sponsored by the Community Club and the Sports Club for the evening of the 26th.

The Mothers' banquet promises to be a big success with over 45 reservations in already. A delicious dinner is promised by the Bowmans and entertainment is being arranged by committees in charge. All women of the community are invited to attend and all reservations should be placed with Nina Sorenson as soon as possible.

Mrs. Tom Sutton will be in charge of the dining room for the spaghetti dinner which will be held in the Carpenters Hall. Ticket are now on sale at $1 each and children will be admitted free as before. An invitation is being extended to all neighboring communities to attend. Entertainment following the dinner will consist of movies and dancing.

If the weather man doesn't take it a little easier, we will all be wondering what to do the next time we have to shovel the roofs as snow piles higher and higher, covering windows and reaching eaves. In fact, keeping ahead of the snow is fast becoming a full time job for most of us. Four to five feet on the level in most places, it has piled a dangerous amount of snow and ice on the roofs of many summer homes. All out of town residents would do well to check on their buildings in the entire lake area as soon as possible.

Helen and Clair Walters are back after ten weeks away from the lake. Snow or no snow, they are very happy to be at home once more. Mrs. Walters has recently received appointment as new postmaster at Brockway, filling the position made vacant by the resignation of H. O. Comstock. She is to begin her new duties immediately.

A meeting of the executive board of the new PTA was held last Thursday at the Kings Beach School. The following committee chairmen were appointed: Health and welfare, Virginia Mason; coordinating, Mrs. Mary Abbott; legisaltive, Earl Van Uden; safety, Leonard Chanda; publicity, Helen Stokes and Dorothy O'Brien; decoration and membership, Pauline Noel; hospitality, Carol Howard; refreshments, Lois Chanda and room mother, Clara Van Hooser. The next regular meeting is being held this Thursday. Dr. John Keys is to be the main speaker of the meeting.

A group of friends met at the home of Mildred and Snowden Burch last Saturday where they enjoyed an evening of playing card games. Present were the Blairs, George Rheiners, Mr. and Mrs. Peter Svensen, Tom and Wilma Lucas and Don Barkhurst. Tuesday evening the Burches entertained Mr. and Mrs. Ira Blair and Mr. and Mrs. Tex Jones at dinner.

Harry Stubley, local realtor, is back in Kings Beach after a short vacation in the bay area.

Florence and Mulford Miles have returned after a week's vacation visiting with relatives and friends in Palo Alto and Sacramento. Their son Douglas, who has been stationed at Fort Ord, is being transferred to North Carolina where he will be given advanced training in physical education work.

The Wee Kirk of the Pines hopes soon to have its first building on church property here at Kings Beach. Last week a committee investigated buildings of the War Assets Administration at the Navy base near Reno. The building that especially interested them is a 25x75 frame structure, originally used as an administration building. Complete with heating plant, plumbing and electrical wiring and fixtures, the total price is only $450. The church plans the purchase as soon as approval of their priority may be made. The building will be torn down and reconstructed on property here to serve as temporary church quarters and recreation hall. A permanent outdoor chapel is planned for the very near future. Members making the trip to the Navy base were Mr. and Mrs. Earl Noel, Mr. and Mrs. A. E. Abbott, Mr. and Mrs. Earl Van Uden, Mrs. Allen Judy and Rev. Oscar Swenson.

The VFW party at The Pines last Saturday night attracted over 100 guests who enjoyed the evening in dancing and partaking of the delicious stew prepared by Carl Sorenson. Music for the evening was furnished by the Lake Forest orchestra consisting of Mr. and Mrs. Ivan Wilson and Miss Mildred Brown.

All In Readiness for Tahoe Chamber Winter Pageant This Weekend

More than 50 snow queen candidates from communities of northern California and Nevada will be guests of the Lake Tahoe Chamber of Commerce on a three day no-expense trip to Lake Tahoe during the Winter Pageant and Snow Ball February 19.

Bill Bates, general chairman, said the candidates will be guests at a banquet and community dance at The Pines in Kings Beach Friday night following registration. Saturday morning there will be skiing at White Hills where the queen selection and professional ski exhibition will begin at 2 p.m. The queen and her attendants will reign over the exhibition from a giant snow throne commanding the ski slopes.

Dog team rides, sleigh riding and exhibition by the "Batman" skier of the Sierra and other events will add color to the afternoon spectacle.

At the evening coronation Snow Ball at Cal-Neva Lodge on the lake shore at the California-Nevada state line, the candidates will be guests at a public buffet supper, dance, floor show and coronation of the queen by a movie star. Mistress of ceremonies will be Reno Browne, western picture star who holds the title "'Queen of the Whistle Stops."

Sunday the queen candidates will be taken on a tour of Lake Tahoe. Transportation will be provided from Truckee, Carson City or from any point on Lake Tahoe on the girls' arrival.

Snow, Extreme Cold Feature Week's Weather

TAHOE— The level of Lake Tahoe on Sunday morning stood at 6224.47 with 201 CSF of water leaving the gates here. Snow on the ground at Tahoe City measured 83 inches, 22 inches of this deposited by the storm which ended Friday. Precipitation for the past week totaled 1.35 inches. Warmest day of the week was the 9th with 39 degrees, coldest were the 12th and 13th with 5 below zero.

The town of Meadow Lake had five quartz mills operating in 1866, according to Mark Twain.

Meals and Drinks Top Quarterly Sales In Nevada County

SACRAMENTO —(W. N. S.)— Taxable sales in Nevada County during the second quarter of 1948 amounted to $4,001,000 a 7.76 per cent increase over the same period in 1947, the state board of equalization announced today.

Of this sum, meal and drink sales accounted for $622,000 of the total which was the largest amount earned by any one classification of retail outlets in the county.

Board members pointed out that statewide totals do not include the $160,000,000 expended for gasoline or an even greater amount spent for non-taxable foods.

One doesn't think of fortitude in connection with a baby but last Sunday we witnessed that attribute in children of kindergarten and first grade ages. We haven't any idea what the temperature was but we know that we were so cold standing out on a hill aswirl with snow eddies caused by a good stiff and freezing wind that our hands and feet were absolutely numb but at one o'clock the March of Dimes Race had been called and at one o'clock 12 stalwart youngsters marched up the hill to sit on the bench at the bottom of the Soda Springs Ski Hill J-Bar.

Little Cari Nordstrum and "Duffy" Merrill were the tiniest of the lot. You could tell by looking at their faces that this, their first race, was a serious affair. Smiley and Dee-Dee Tschopp trudged along herringboning the soft snow like veterans. Nancy Williamson and Starr Walton—faces already blue with cold—herded the four above mentioned ahead of them. The skiing papas and mamas put their offsprings' tiny skis between their own, waited until the J-Bar caught up with them and up went parent and child to the level where the race started. Parley Merrill took the lead with tiny, black eyed Duffy between his knees and took off up the hill. Parley as nervous as any parent could be misunderstood the order to get off at the first level and took Duffy to the very top. When he turned around to see the rest of the racers there weren't any in sight. After waiting a few moments he realized that the strating gate was way below them so they swooped down the face of the hill and located the starting gate which had been placed in a wooded area which would serve as a windbreak for the skiers. By this time two tiny icicles hung from the nostrils of little Duffy but he would not give up.

Forerunning the race for the Class B babies were Ronnie Rau and Kit Schull. As Duffy came thru the gates and made his snow plow he chattered "I won!" Lynn (Smiley) Tschopp was next and she contradicted Duffy's statement. Then came Delia (Dee Dee) Tschopp her blond pigtails flying and while she said nothing, DeeDee did win in the baby division, Duffy placed second and Smiley third. We wondered what had become of Starr Walton, a skier of no mean ability. She finally came in but we did not recognize her. The excellent and fascinating style of the racing forerunners appealed to her adventurous spirit and Starr deciled to take their stance. She got completely off the course which cut down her running time but she cared not—she was in excellent racing form. Five year old Courty Van Evera was timekeeper at the gate. He took his job seriously but a couple of times he was unable to see the racers because his eyes swam in tears caused by the biting wind.

We dreaded the time when the prizes were to be passed out and there would not be a prize for every babe (there was but we didn't know it). We expressed that opinion to a couple of the parents. "It's good for them," stated the mamas and papas. "We taught these youngsters to ski and skiing is a sport. You can't start too early to develop a sporting instinct in children."

While the Class A skiers in the race were from 8 to 12 years of age, the tiny ones stole the show. Marles Rau, a little girl from Tunnel Six, won the silver charm bracelet. Raymond Dixon, 12 year old phenomenum from Truckee, won the silver buckle which was engraved "March of Dimes, First Race, 1949." Free lessons, ski tow rides, etc. were passed out to the rest of the children.

This is to be an annual affair and we look forward to the next March of Dimes Race in 1950. We'll wager there will be more than 12 entrants and if it is 27 below zero (as it was a few nights ago) we are still going to plant ourselves in a snow bank and watch children competing on good sturdy legs in order that other children with not such sturdy legs can also enjoy the sport at some future date.

At a meeting held at Donner Summit Lodge last Friday night different entertainment features were talked of. Ski tow operators decided on a Donner Area Sunday Slalom which will be an every Sunday afternoon attraction. The races will start at one o'clock and are for non-professional skiers. It will be open to everyone and the first 15 who sign up will be permitted to compete. As these races will be run on all ski hills each hill will have its run off on May 1. All winners will then compete in a final race May 8. It is hoped this program will encourage those who are confident of their skiing ability but who so far have not had an amateur class in which they could compete.

Last weekend could have been called a real group weekend on the hill. Beacon Hill had a registration of over 70 from the Tidewater Associated Oil Company of San Francisco. Donner Lake Lodge entertained the Bank of Amrica and First National Bank of San Francisco employees. Lakeview Lodge on Donner Lake had a group of 24 girls from Oakland High School. Cam Roumage of Sitski Lodge fitted 40 San Francisco Jr. College young people in his place. Soda Springs Hotel gave a banquet to 70 at seven in the morning—a Catholic group. At the Riverside Hotel in Truckee we understand another Catholic group from St. Cecelia's in San Francisco was quartered. The Veterans of Foreign Wars of Walnut Creek chartered a bus and landed at Rainbow Tavern for the weekend 37 strong. Ski Inn Lodge had a full house which was divided between the Aranco Ski Club (Arabian Oil Company of San Francisco) and the Burlingame High School group while Rancho Sierra entertained the Mexican consulate group from San Francisco.

Another area project: An area map will soon be on the press which will list accomodations, rates and pertinent information of the area between and including Emigrant Gap and Truckee.

Several old friends and skiers in the area last week reminded us of old home week. Margy Moore and a group from the Sacramento Bee stayed at Maria Schuster's. Lee Perone held forth at Sugar Bowl with his gal friend Eleanor Stiddo. Prue Crosby visited her friend Donna Mink at Donner Summit Lodge. And we hear that Ellen Flynn of Los Angeles who used to be a regular in the area will visit Betty Horak next weekend.

If space permits this next week end several publicists from San Francisco will be guests of the hotel owners of the area. With cameramen, radio men, wire service and columnists arriving to cover the Auburn Ski Club tournament we look for big things from this coverage.

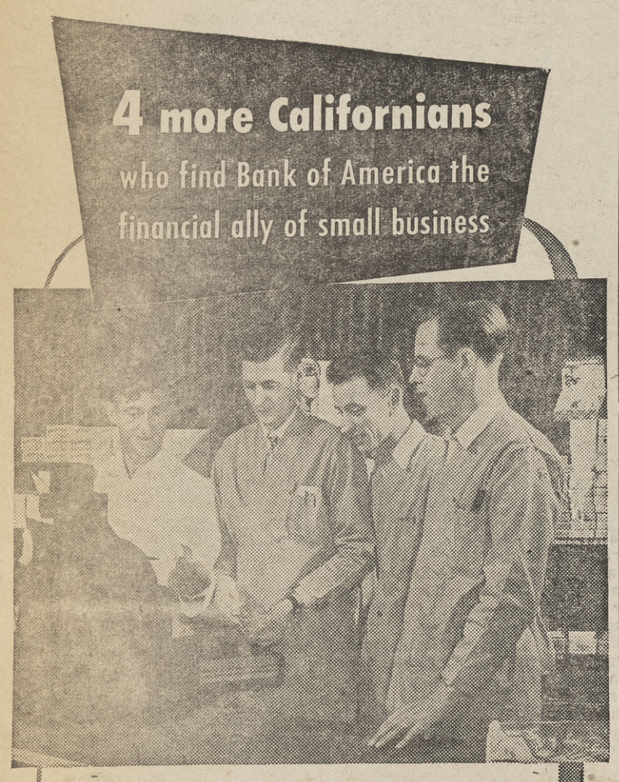
Helen and Ray McCarty and Gratz Powers have all just returned from Sun Valley where the former were snowed in for a few days.

Dennis and Muriel Jones at Soda Springs Hotel, a quick visit up from their Auburn ranch.

Ice Lakes has purchased two weasels which pound the road back and forth between Highway 40 and that beautiful spot. Helmer Bergman is superintendent of transportation.

ONE SEEKS PENSION

SACRAMENTO —(W. N. S.)— There was one application for old age pension in Nevada County for the week ending February 12 compared to 12 the previous week according to the state department of social welfare.



Four Marketeers find satisfaction in the day's receipts of Amity Market, San Francisco

Elroy Mittelholtz, Eric Nordquist, Paul Gresh and Bert Quist might be called the Four Marketeers. In the few years since the war these young men with their own capital, augmented by a Bank of America loan, have established a market in San Francisco which is today "busting its seams." The friendly banker who helped them along their way was the manager of their neighborhood branch of Bank of America.

FLORISTON

by C. A. FELESINA

FLORISTON— Floriston has remained snowbound for the entire week. Efforts were started to open the road last Thursday but that night a new blizzard covered the road again. Contrary to the opinion of some people, Floriston residents do not feel aggrieved because of being snow bound but instead feel a pride in the fact that without help from either county or state they have been able to maintain the road as long as they did through the snowstorms. It was expected the road would be closed much earlier in the season. It is true that the Southern Pacific tracks pass our door but there is only one train that actually stops at Floriston. That is the early morning train from San Francisco which stops to drop the mail and they do not drop any freight or express. In the days when the mill was running, nearly all trains stopped. Today it is to the highway that we must look for transportation. So far the only hardship has been in carrying fuel and groceries for the three quarters of a mile down the mountainside, across the river and back up the other side, in spite of which most of the residents would not have missed being here in this "winter wonderland" for any amount of trouble. Nearly everyone was able to use their cars, since they were parked on the highway.

Wesley Craig, on reaching his car after the "big blizzard", discovered someone had been using a bar trying to get into it. It seems rather a mystery who could have been at it as the highway was closed during the night and it seems as though it would be a hardy individual to buck that blow trying to jimmy cars.

John Hartwick, Robert Hill and Alex (Sandy) Ayala have gone up to Donner Summit to work with the highway crews keeping the road open.

Mrs. Ernestine Kelleher, mother of Thomas Kelleher, has moved in from Hazen, Nev., and will later take over the management of the Kelleher grocery store.

Mr. and Mrs. Milton Thompson had as their weekend guest her brother from Sacramento.

Mrs. Lester Felesina has been called to Wellington to help care for her brother-in-law Thomas Julian who is ill.

TAHOE ITEMS

The meeting of Tahoe American Legion Post 718 had to be postponed Tuesday night last week due to the heavy snowstorm which discouraged members from venturing forth.

Rome Stark and Don Prusso observed birthdays last Friday.

Mrs. Marie Henry of Tahoe City has been named assistant registrar of vital statistics for the Tahoe area of Placer County. She is a member of the county board of health.

Mrs. Al Randolph was a recent guest of the Douglas Smiths at Auburn and reports they and their two children are well. Smith is employed by the power company in the Auburn area.

Newlyweds Mr. and Mrs. Bob Stark of Reno had guests from Lake Tahoe last Wednesday when Mr. and Mrs. Allan Pollitt, Mrs. Bessie Dockham and Mr. and Mrs. Rome Stark motored over to pay them a visit.

Henry F. Droste of Tahoe and Virgil Jones of Donner Summit were among new directors named by the recently formed Placer County Taxpayers Association.

Mr. and Mrs. H. H. Hull or Sebastopol, former Tahoe residents, write that they look forward to the arrival of the Sierra Sun more each week when they read of the doings in this area.

Buck Snow Drifts Down Into Emerald Bay

TAHOE— Carl Bechdolt Jr., accompanied by Floyd Carnell, drove his weasel 23 miles from Tahoe City to Emerald Bay over snowclogged highways on which snow stood four and five feet in depth with 15 foot drifts in places. He took as a passenger L. J. Holland of Reno, new owner of Emerald Bay Estates. He made the trip down the deep descent at Emerald Bay in the weasel and brought out his wife who has been snowbound there. The trip took about 3½ hours.

They report Emrald Bay frozen over, something which occurs only in severely cold winters.

Tahoe School Opening Delayed Fortnight

TAHOE— Mrs. Marie Henry, member of the Tahoe Lake Elementary school board, this week announced the opening of the school will be postponed for two weeks. The new opening date for the spring semester is March 14 instead of February 28 as originally planned.

Board members hope that by allowing an additional two weeks the winter storms will have decreased in intensity and travel for the school bus will not be so difficult.

Bad Winter Elsewhere Emigrants Declare

TAHOE— It has been a rough winter all over, according to reports from former residents of this area who have migrated elsewhere.

Horace Bolton writes from Nauvoo, Illinois, that what he has read of the local weather compares with the extreme conditions in his county. In fact they are experiencing the worst winter since 1936.

The Fred Whites, who left this region for Rochester, Wash., report a power shortage which has seriously hampered operations on their farm. Their water pump gauge froze and burst and they had to carry water for the stock from a creek. Water in the rabbit's crock froze within an hour after filling and their hot water tanks were all frozen.

Flower Show to Feature Old Road to Tahoe

Oakland's California Spring Garden Show opening April 26 will feature an authentic replica of the old Georgetown-Lake Tahoe road honoring the California Centennial theme of the show.

The Georgetown route was one of the most travelled of the early pioneer routes and its native planting is typical of the Sierras at elevations of 5000 to 8000 feet.

Drunk Driver Given Six Months Term

Lymul J. Lowrey, 27, of Auburn is serving a six months jail sentence proscribed by Justice of the Peace R. N. Little this week after Lowrey was found guilty of driving while drunk and without a license.

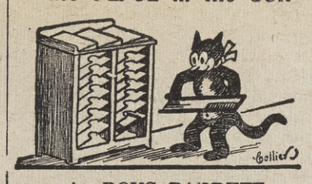
Judge Little said Lowrey's record revealed he had been arrested five times for drunk driving beside other lesser offenses. He was arrested by Sergeant H. B. Fowler.

Roseville Man Wins 20-30 Ski Events

At the Truckee 20-30 Club Winter Carnival Sunday, first place in both downhill and slalom events was taken by Mickey Munley of the Roseville 20-30 Club. Second place winner of the downhill race was Bob Bowers of the Reno club and Earl Smith of Truckee was second place winner of the slalom race.

Clubs represented at the meet were Auburn, Roseville, Reno and Truckee.

MY PLACE in the SUN



by DOUG BARRETT

Erv Waters looked more like he was steering an ark than driving a school bus down the main street yesterday.....Clarence Tollefson is claiming credit for the quick thaw the last couple of days.....He is just back from the south.....Another one "marooned" in the valley by last week's blizzard was Mrs. Bill Preston and sons.....They're home safely now and none the worse for their harrowing experience..... Eve Johnson had to go a long way to get a well-earned rest..... She is laid up with the ligaments of her leg in sad shape.....and her place at Tonini's has been taken by that sparkling Olla Tonini.....Those Hellers are quick on the bounce.....This week Pearl was sick on Monday but right back on the job next day.....Karl Kielhofer and Tom Sheehan were room mates at St. Mary's hospital the past week.....Harry Digesti turns out to be the best judge of hams for the week..... Frank (The Hunter) Kinne trying to figure for a duck blind in front of the post office on main street.....or should I say on the grand canal?.....Bud Owens (of the fountain by the same name) can honestly recommend the hot fudge sundaes he is featuring.....Bud uses the taste test .....Roy Waters, Outing Club president, says Herbie Copeland will carry the local colors at the National ski meet in Utah next weekend.....And Manager Mike Korich reports he had to turn down the baseball team's first challenge.....from the Folsom prison for the first weekend after Washington's birthday....The date conflicts with the big Lake Tahoe Ski Club meet at Olympic Hill.

Town Team to Play, Hi Schoolers Travel

After a lay-off of nearly two weeks, the Truckee American Legion basketball team will take to the court here Friday night. Their opponents will be a formidable squad from Lovelock, Nevada, last year's tournament hosts.

Meanwhile, the Truckee high school cagers valiantly but fruitlessly tried to stop a powerful Reno aggregation on its home court Tuesday night. The score was Reno 56, Truckee 26. On Saturday night the Truckee boys travel to Portola to meet the home town high school team there.

Truckee Youth Feted At Party on Saturday

Steve Langon celebrated his 6th birthday at the home of his parents, Mr. and Mrs. Frank Quilici, on Saturday afternoon, February 6. Blue and white streamers were festooned from the ceiling and other party favors were in the same color.

Games were enjoyed by the following: Arlene Copeland, Carole Ann Quilici, Nona Ray Coffey, Kenneth Wilson, Donna and Carole Gracik. Also present were Mr. and Mrs. F. Berry, Mrs. J. Copeland and Mrs. John Gracik.

Trio of Women Are Hostesses at Shower

Mesdames William Englehart Jr., M. E. Brown and Walter Loynd were hostesses at a surprise shower given at the Gateway Park home of Mrs. Loynd on Wednesday evening, complimenting Mrs. Robert Gifford. The friends of the honoree who were invited to the affair enjoyed an evening of bridge and visiting.

Costa Youngsters Share February 11 Birthday

A double incentive for a family party given by Mr. and Mrs. Sam Costa on Friday, February 11 was the second and first birth anniversaries of their two children, Gary and Joanne, who share their birthdate one year apart. Patel green decorations were used for the white cakes and party favors.

Blattlers Move Again—
Mr. and Mrs. M. J. Blattler, formerly of Truckee, have recently moved from Portland to Canby, Oregon.

In San Francisco—
Mr. and Mrs. V. C. Shattuck spent two days in San Francisco last week.

Recovering—
Sterling Ralphs of Big Chief is reported recovering following an appendectomy performed in a Reno hospital two weeks ago.

Former Resident Writes—
Murrey E. Smith of East Burke, Vermont writes that he is a former resident of Truckee and is subscribing to the Sierra Sun to renew his acquaintance with the district.

Recovering—
Mrs. Frank Gaiennie is reported recovering from a recent illness.

Back from Trip—
Mr. and Mrs. C. A. Tollefson have returned following an extended trip through southern California.

Board Meets—
A routine meeting of the trustees of Meadow Lake Union High School was held Monday night. W. A. Loynd presided.

Improving—
Frank A. Titus is still in a Reno hospital following an eye operation and his friends are glad to learn that he is improving.

Valentine Anniversary—
Mrs. C. Edmunds observed her birthday on St. Valentine's Day.

Local Girl Reaches First Decade Mark

Jacqueline Wilson was 10 years old last Saturday and this was the occasion for a party given at the home of her parents, Mr. and Mrs. John Wilson. Games and refreshments enlivened the afternoon and the honoree was the recipient of many gifts.

Attending were Shirley and Sue Guymer, Anthony Wilson, Jesse Rablin, Patricia Smith, Barbara Brown, Joan Stallard, Olivia Dugan, Gary Culbertson, Marlyn, Roy and Howard Brown, Frank Giovannoni, Billy White, Glenn Sadocchi and Kenneth Wilson.

Mr. and Mrs. James Owens, former local residents, have purchased a house in the Del Paso Manor district of Sacramento, located near the Bank of America branch of which Owens is manager.

Engineer Passes

Funeral services were held in Sacramento last Friday for William W. Tassie, 75, veteran locomotive engineer for the Southern Pacific Company and the old Central Pacific, who died Wednesday at his home there.

Here Officially—
Sheriff Richard Hoskins was an official visitor in Truckee on Monday.

Observes Birthday—
William Gaustche observed his birthdate Wednesday, February 16 at a family dinner.

Hand Operation—
Highway Patrolman Tom Sheehan recently underwent an operation to correct an old injury of his hand.

Marriage License—
Augustin M. Acosta, 38, and Maria Munoz, 33, both of Truckee were among those obtaining Reno marriage licenses this week.

Tarzan

by EDGAR RICE BURROUGHS

AS JUGA EXPLAINED THAT THEY WERE NOT FAR FROM THALIA, RIMALI AND HIS COMPANIONS CAME INTO VIEW.

IT WAS APPARENT THAT RIMALI AND JUGA WERE FRIENDS, AND TARZAN LEARNED THAT JUGA WAS THE SON OF KING FARAF OF THALIA.

EXPLAINING HIS PRESENCE, TARZAN TOLD OF THE CAPTURE OF HIMSELF AND HIS FRIENDS BY THE LAHTIANS.

"WE THALIANS WILL HELP RESCUE YOUR FRIENDS," JUGA SAID.

"WE NEED LITTLE EXCUSE TO FIGHT THE MEN OF LAHT."

TOPPING A RISE IN THE TRAIL, THEY SAW LYING BEYOND A NARROW, RUGGED VALLEY, THE WALLED CITY OF THALIA.

"EVEN HAD YOU NOT SAVED MY LIFE," JUGA DECLARED, "I WOULD DO EVERYTHING IN MY POWER TO HELP YOU."

DESCRIBING HIS RESCUE FROM THE LION BY TARZAN, JUGA PLEADED FOR AID TO THE APE-MAN. "OUR WARRIORS," KING FARAF DECIDED, "WILL FIGHT! THIS TIME WE SHALL BE VICTORS!"

WELL, TOM, DO YOU KNOW WHOSE BIRTHDAY WILL BE CELEBRATED IN A COUPLE OF DAYS?

SURE! GEORGE WASHINGTON'S!

RIGHT! AND DO YOU KNOW WHY WE CELEBRATE TH' ANNIVERSARY OF HIS BIRTH?

YEAH! HE WAS OUR FIRST PRESIDENT!

GEORGE WASHINGTON IS MOST FAMOUS BECAUSE HE NEVER TOLD A LIE! REMEMBER THAT— HE NEVER TOLD A LIE!

I KNOW, UNCLE JOE! YOU TELL ME EVERY YEAR!

GOLLY, AUNTIE BLANCHE, WHY DOES HE ALWAYS STRESS THE FACT THAT WASHINGTON NEVER TOLD A LIE? YOU'D THINK I MADE A HABIT OF STRETCHING THE TRUTH!

OH, TOM, HE DOESN'T MEAN ANYTHING BY IT!

AND SAY, SMITH, DID I TELL YOU ABOUT TH' BIG RAINBOW TROUT I CAUGHT UP AT LAKE ALPINE LAST SUMMER?

SEVERAL TIMES!

?

AN' FINALLY AFTER TWO AND A HALF HOURS I SLIPPED TH' NET UNDER HIM--- AN', BELIEVE IT OR NOT, HE WAS-
